Mallorca is an island located in the Mediterranean Sea. It is the largest island in the Balearic Islands archipelago. Like the other Balearic Islands of Minorca, Ibiza, and Formentera, Mallorca is an extremely popular holiday destination.

The name derives from Latin *insula maior*, "larger island", later *Maiorica*, "the larger one" in comparison to *Minorca*, "the smaller one".

With its historic past, Mallorca has many wonderful sights to explore, with castles & remains, cathedrals & monasteries, grand manor houses & gardens, and art galleries and museums as well. On the other hand, the stunning scenery throughout the island is ideal for enjoying outdoor adventures. You can find protected Natural Parks in all four corners of Mallorca, as well as the rough and beautiful Tramuntana mountains that spreads down the west coast.
